We look forward to helping our patrons explore new technologies. E-Readers are versatile, portable devices that can be customized to the reader's needs. Your library is here to let you try out a NOOK COLOR, for free. Experience "the future of reading" without making a financial investment.

NOOK COLOR (e-Readers) Borrowing Policies

1. Clinton residents, 18 years of age or older, having their own current library card in hand, may check out the NOOK.

2. Fill out and sign an agreement.

3. You can try out the Adult NOOK COLOR for **fourteen** days, and the Children's NOOK COLOR for **seven** days. First come, first served: no holds or renewals.

We have loaded an eclectic array of titles, new and old, for adults and children, and have included a newspaper and a magazine, as well. Have fun exploring. The library maintains the content on the NOOK exclusively; you do not have to download anything.

NOOKs cannot be returned in the book drop, to another library or left on the desk.

5. If a NOOK is returned after its due date, late fees of \$2.00 per day, \$8.00 maximum will occur.
