

## GIFTS THAT GIVE BACK

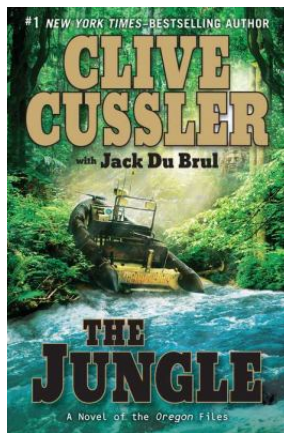

The HCH Library gratefully accepts monetary gifts for books and other materials to enhance our collection.

If you would like to celebrate a special occasion or anniversary or honor a friend or loved one, library donations make a lasting remembrance.

Your donation of **\$20 or more** will be used to purchase books, music CDs, videos or DVDs.

You can specify how the donation is to be used, or simply suggest an area of interest and let the Library staff make the selection.

Or, see details inside this brochure to **Adopt your favorite author!**

### *Sponsor your favorite author!*

Be first in line to read your favorite author's new book and help your library at the same time.

Here's how it works: you agree to purchase one copy of each new book published by your favorite author for a one-year, renewable period at a discounted rate. In turn, you will be able to borrow the book first, for a special four-week loan period as soon as the book is available.

**You will be notified of the book's cost at time of library's purchase.**

Pay for the book when you check it out. Once you return the book, it becomes part of our regular circulating collection. If you choose, you may be identified as the donor on a book plate inside the book. The library will post a list of adopted authors, so that you can check to see if your author is free to adopt.
